

Mio Moov M400

Your world on the big screen

Also available... **Moov M400 Europe** with European maps.

Navigation goes extra large on the super-slim Moov M400, with its pixel-perfect 4.3-inch widescreen. It also features Mio's acclaimed Local Search technology via MioMore™ desktop, so you can connect to a huge range of information on local restaurants, shops and much more. The big screen makes perfect use of NavPix™, making it simple to navigate to photos while the user-friendly interface makes the Moov M400 enjoyable and easy to use. The Moov M400 is complete with pre-loaded safety camera alert data. Plus with spoken motorway exit instructions and lane guidance, navigating through busy motorway junctions is even easier.

Also available is the **Moov M400 Europe**, enjoy all the benefits above and pre-loaded map data for 23 Western European countries.
